

## Timely Greetings

### Description

The *Timely Greetings* are a series of leaflets containing the Sabbath sermons of [Victor Houteff](#) delivered from August 3, 1946 to April 22, 1950 at Mt. Carmel Chapel on the original Davidian property near Waco, Texas. Though these sermons were initially preached to Davidians, they were almost immediately put into booklet form and sent throughout the Seventh-day Adventist denomination by the millions. In these tracts, you will find expositions of prophecy, questions and answers, verse-by-verse exegesis of Scripture, and even a few auto-biographical sketches by Victor Houteff. The studies are short and to the point, presenting the Davidian message in small, easily digestible portions. Below, you will find a complete list of the *Timely Greetings*:
